STATEMENT

A judicial order determined a block of the access to the website Youtube (www.youtube.com) by all the Internet providers in Brazil.

The determination was given in a judicial process and was forwarded to all companies that have a control of international data traffic and it is valid for an undetermined period.

This block refers to the completion of the mandatory appeal nº 07/2007 process 583.00.2006.204563-4, signed by the Honourable Judge of Law Dr. Lincon Antônio Andrade Moura, by decision of the Fourth Chamber of the Court of Justice of The State of São Paulo. Therefore, it is not a technical problem by part of Telefônica but indeed the compliance with a judicial determination.
